Official NIKI Tour Merch

This collection isn't just about products—it's about stories. Inspired by NIKI's music tones and personal style, every item reflects something dreamy, soft, and just a little rebellious—like her lyrics that quietly hit deep.

From a simple tote bag perfect for coffee runs with “lowkey” in your ear, to stickers filled with quotes and dreamy visuals, minimal yet meaningful necklaces & bracelets, and a tumbler to take with you as you chase sunsets with “Backburner” playing in the background.

You don't need to shout “i'm a fan”—just bring a little piece of NIKI into your everyday.
